

Overview:

What you are doing here is using an existing court case to make a legal record of applying to State Jobs that are being held for foreign workers, because the Attorneys General of those States are claiming that the State is unable to find United States Workers to fill those jobs.

By doing this, you are making an example of those Attorneys General, and sending a message to all their kind. The example that you are making of them is that of liars who lie openly to people's faces, and the message to all their kind is that they will be dealt with as such.

Step 1:

Use the data files available Here:

https://github.com/ITContractorsUnion/ITContractorsUnion/tree/Main/State_H1B_Jobs

To find the jobs you are interested in.

Step 2:

Copy The LCA Case Numbers and Job Titles to the form below. Fill in the rest.

Step 3:

Mail your Resume and Cover Letter to the Department or Agency Director(s) overseeing the Departments or Agencies to which you applied.

Step 4:

Attach those Cover Letters to the Declaration, sign it and make a copy of those documents.

Step 5

Fill in the Certificate of Delivery, and mail the original signed copy of the Declaration and Exhibits to The Court, and send a copy to the Attorney General of The State to which jobs you applied. Use additional Declarations to apply to multiple States.

Note:

This process ONLY applies to the States that are appearing as Plaintiffs in this case, because it is ONLY those states that are claiming they are unable to find United States Workers to fill State Jobs.
